Other passions

www.gracinhasonline.com is a personal project to share the results of my creative hobbies, but has also been an excuse for finding and learning as a webdesigner. It was 11 years ago I made the first site for Gracinha's, some years later my first blog and more recently has become my 'pet project' to an adventure in social networks.

Software knowledge

Dreamweaver/Flash/Photoshop/
Fireworks/Illustrator/Indesign/
Camtasia/CorelDraw

Programming & Markup

Fluent with XHTML & CSS
(standards compliant), HTML5,
basic ActionScript 2.0/3.0, and
comfortable with main JavaScript
libraries.
